PRODUCT RANGE:

Din San carries a remarkable selection of high quality container plants that are available in 10cm, 14cm, 20cm, 25cm, 33cm, 42cm & 50cm pots, through to advanced stock in 75, 90, 150 & 200 litre containers. Tube stock is available on request. Bare root stock is available from June until the end of August.

STOCK SOURCING & COLLATION:

We offer a convenient one stop solution. With over 200 growers on site and an extensive database of growers Australia wide, we pride ourselves in meeting all our clients plant schedule requirements, quickly and efficiently as per availability.

QUOTATIONS:

Quick competitive quotations! Feel free to fax, email or phone us your details for a no obligation free quotation. Discounts are available for quantity orders.

CONTRACT GROWING:

The early start makes all the difference!

More & more plant buyers are using our contract growing service to ensure their plant schedules are to specification and are available on time & on budget.

Our large growing facilities & qualified staff give us the ability to grow to a fixed price & cater to your requirements on large projects that will take several years before completion. To discuss your requirements contact our Nursery Manager Sam Astorino.

DELIVERY:

Din San offers a prompt & efficient delivery service Australia wide.

Local deliveries operate everyday from Monday to Saturday between 7am & 4pm.

For deliveries to country areas or interstate, rest assured, we only use experienced Plant Transport Carriers to ensure safe arrival. Most areas are serviced weekly. Advanced tree deliveries may require a truck with a mounted crane for ease of placement and handling at the delivery site.

All our delivery rates vary depending on location.

To discuss your delivery requirements please contact one of our friendly sales staff.

PRICING:

All prices listed throughout this catalogue are inclusive of GST. **Prices & stock availability are current at the time of printing, however are subject to change without notice.** In the market, prices vary for the same stock in accordance to the suppliers. Discounts are available for quantity orders.

Established in 1959, Din San Nursery has 51 years experience in growing and supplying an impressive range of green life to the landscaping and building industries. We provide to both small & large scale projects throughout Australia, all of which are residentially, commercially or environmentally orientated.

Our growing area is in excess of 40 acres, making us one of Melbourne's largest wholesale nurseries. This allows us to stock an extensive & diverse range of plants and also provide suitable facilities for contract growing.

Our diverse customer base extends to that of landscapers, builders, developers, local councils, government departments, landscape architects, schools, golf courses, factories & housing estates. HIA members are also welcome!
